Old Business

a. Caboose Volunteers from Weyerhaeuser worked on the caboose cleaning it and completing a coat of paint. They would like to be involved further, which should be a benefit for the city and our efforts to get the caboose restored.

b. Updates on Restrooms Bathrooms are open, but volunteers lock it at night. The city has met with contractors regarding the locks on the doors and will meet with another contractor regarding new doors.

c. Yard of the Month Program: There was one nomination for yard of the month. The one selection was voted the winner for the month of July with a 3:0 vote.

d. Negotiations for the covered bridge: No response from Lane county about negotiations regarding taking care of the covered bridge. The city will likely open the bridge anyway during the summer and the city staff will open and close the gate.

e. Movies in the Park: Max is looking into a different screen that may work better.

New Business

a. Plaque for Hall at Paul Fisher park We have the plaque, and it looks good. The Parks and Recreation committee will meet at the next meeting and complete a walk through the park to determine the location of the plaque for Hall.

b. Playground Installation Update: Parks and Recreation committee will meet next meeting and complete a walk through at the park to determine the location of the gaga pit and swings. The contractor can't complete the work until after Blackberry Jam.
